The 30 Army was inactivated in Shanghai in March 1950 and its subordinate divisions were incorporated into the 20, 26, and 27 Armies enroute to Korea in November of that year. Since the 20 Army has recently been firmly identified in the Linhai-Wenchou (N 28-01, E 121-38) coastal area of Chekiang, the possibility exists that this is merely a mistaken identification of a 20 Army division.
